The Bible has a lot to say about how and why God created us. God designs *everything* with a purpose. Choose a Bible verse from the page titled, **What does the Bible Say?** Or you may choose a Bible verse from one of your AHG devotionals.

- Write out or share with someone the verse you have chosen.
- Share why the verse you chose is important to understanding that God created you as a female.
- Include how this Bible verse helps you understand that we have purpose and are special the way God created us.

4 Choose ONE of the following to complete:

A On the page that states, "She's a doctor.", the woman doctor is performing an ultrasound. Take some time to understand and share what an ultrasound is and how it helps us understand new life. Please write your thoughts down and share them with someone.

- Why is this technology so powerful?
- What does an ultrasound confirm?
- Read Jeremiah 1:5. How does this verse relate to what doctors can see in an ultrasound?

B Choose one of the following quotes from SHE is SHE, write a paragraph and share what it means to you and share it with AHG. (*Optional: Draw a picture using the quote.)

- *"To every girl out there...you are precious. God designed you beautifully and uniquely. Whether you are a princess or whether you're a warrior (or if you're a princess warrior), love who you were created to be."* Quote from the Dedication Page.
- *"When your identity is rooted in Christ, it won't be uprooted by everything else."* Quote from the final page of She is She.
- *"When she is she, she is free to be who God meant for her to be."* Final pages of the She is She story.
